# ABOUT US

## Rewards NW Conference

Rewards NW is the only full-day conference that provides education and practical tools for the total rewards professional. This is an opportunity to focus on your development and skills for the advancement of your career. The conference brings total rewards oriented professionals together to learn best practices from the industry as a whole and to network with each other and service providers.

## Top Takeaways for Attendees

- **Be an Expert** - Learn best practices from industry experts and practitioners
- **Grow** - Develop key analytic skills and industry trends
- **Connect** - Network with regional leaders in the industry
- **Engage** – Have fun while learning and growing in your career

**The Northwest Compensation & Rewards Forum (NCRF) is an association of compensation and benefits professionals based in the Puget Sound (Seattle) region.**

NCRF exists to promote the exchange of information, ideas, plans and policies in the field of total rewards trends and practices. NCRF also supports the education efforts and objectives of WorldatWork, the leading international association of compensation, benefits and total rewards professionals. We are located in the Seattle, Washington area.

An important benefit of membership is the opportunity to network with practitioners and experts to share resources. NCRF meets quarterly, offering a variety of quality information/education for our members. Please check out our events page to see what is coming up in this area. We hold our quarterly meetings at either Harborside Seattle on Lake Union or at the Bellevue Club. Come see us and participate in a great network of individuals!

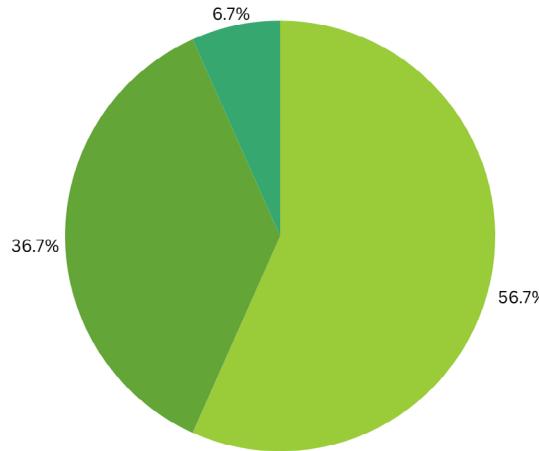

**Total Rewards PDX (TRPDX - formerly Columbia Willamette Compensation Group) is a Local Network affiliate of WorldatWork.**

We were established in 1990 for the purpose of promoting excellence and innovation for compensation and benefits professionals in Oregon and Southwest Washington, and this is still true today. Our goal is to engage our members by providing the latest in industry resources, professional development, and a place to network.

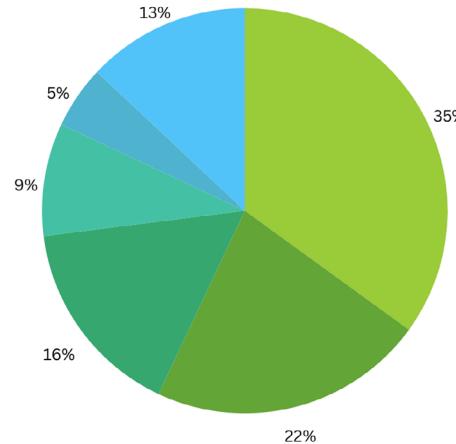

TRPDX provides a forum for members to share progressive solutions to today's compensation and benefits challenges. We offer courses and workshops designed to educate and inform you; keep you current on relevant hot topics, and total rewards trends and practices. TRPDX also gives back to the community through our scholarship program for professionals and students who are pursuing further education in compensation and benefits.

## Who Participates as a Community Partner?

Community Partners are typically associations or organizations that promote educational opportunities, events or resources to a membership base or network.

## What does it mean to be a Community Partner?

Community Partners help spread the word about the conference through in-kind, cross promotional agreement and are given discounted tickets as a benefit in return. These partners support the goal of providing education and practical tools for the total rewards professional. The conference provides an opportunity for human resources professionals to focus on their development and skills for the advancement of their career and brings total rewards professionals together to learn best practices and to network with their peers.
